Dear Friends ,

I hope all of you remain safe and healthy. Presenting this gives me a sense of pride and confidence in my strong and diverse team. When I look back on the path we have traveled, I find that the Ankleshwar Industrial Development Society has transformed itself into a strong institution setting a land mark in providing educational, medical, sports, cultural and other such services to the industrial, tribal, rural and urban communities of Ankleshwar and surrounding vicinity.

The educational project named Shree Gattu Vidyalaya, the health project entitled Smt. Jayaben Mody Hospital, the sports and cultural project named D. A. Anandpura Cultural and Sports Centre and the Mobile Education Van project outshine the dedication of the team involved.

I would like to extend my appreciation to one and all who have collectively contributed in making this venture a great success.

Doctrines of Shree Gattu Vidyalaya

- *Academic excellence;*
- *Opportunities for artistic pursuits;*
- *Inculcation of Indian ethos and values;*
- *Community oriented school;*
- *Adoption of information technology in education.*

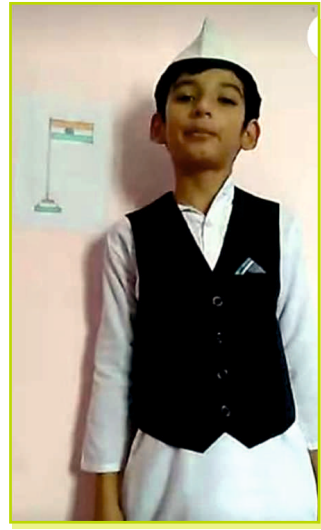

Shree Gattu Vidyalaya has achieved and maintained the highest standard of excellence in imparting total education, empowering the youth rooted in India's heritage. We have maintained a strong collaborative approach, open and effective communication and India's culture based on dignity, courtesy and respect. We engage students in teaching learning process that encourages personal and collective responsibility. The learning environment is innovative, challenging and enterprising. Strong emphasis is placed on discipline and an attitude associated with responsible citizenship is inculcated. Expertise in subject and innovative learning methods, embracing new horizons, nurturing excellence and a futuristic vision has helped our students to do well in the competitive exams and board exams.

Responsible citizenship, we believe begins with a spirit of patriotism. Our school celebrated the Independence Day and the Republic Day with great fervour. We have always appreciated the fact that the parents being partners in the child's progress are our vital stakeholders. The honour of our National Flag hoisting therefore is that of the parents on both the National Days.

The national values enshrined in our Constitution were further strengthened by class activities on the theme Rashtra Bhakti Bal Shakti.

The students honouring the dictum “जल ही जीवन है”, celebrated World Water Day on 22nd March 2022 by generating awareness with poster making.

The pre-primary students were engaged effectively in several activities in the beginning of the term to mark their come back post pandemic period.

Activity based learning with integrating the same with our sanskriti is no wonder at our school. The school celebrated Vasant Panchami with the children performing several activities including story-telling and fancy dress.

The school constantly strives to polish the in-demand skills of the children and there comes the awareness and information about general knowledge. The school helps the children prepare well for the competitive world right from their tender age. The GK Day was celebrated with preparation and display of various models by our children.

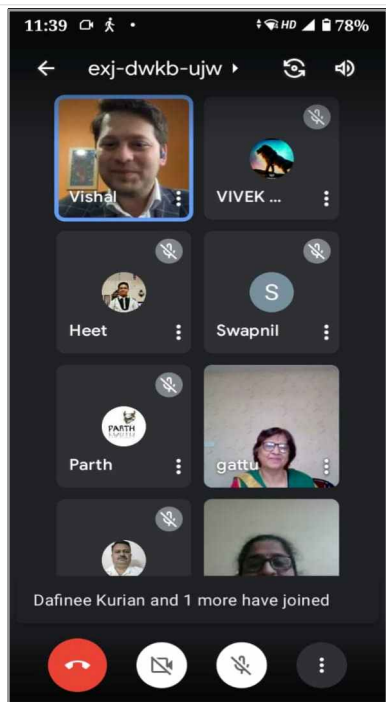

Being near to the nature and the nurturer is important for any learning to be internalised and ingrained. The nature - nurture relationship is very much a part of all our activities at school. The events like National Tiger Day, World Environment Day, Women's Day establish this continuum with the children.

As the age progresses, so do our pedagogical approaches. The higher standards are involved in various self-learning, do-it-yourself, experimental and experiential activities across their tenure with us. The Physics Quiz, Goal Setting workshop, The Spell-O-Bee and Teacher's Day are activities that help the students in achieving the goals set forth in the NEP.

Being the oldest school of Ankleshwar GIDC increases our responsibility towards the continuous capacity building of our teachers too. The activities in accordance with the NEP are also backed by intensive hybrid mode teacher trainings & workshops. These include the three-day critical thinking & problem solving workshop, NEP seminars and alumni interactions.

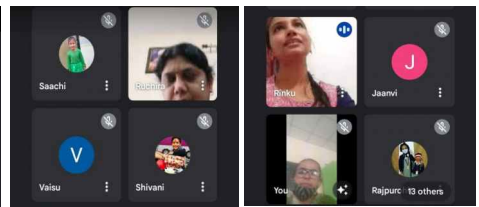

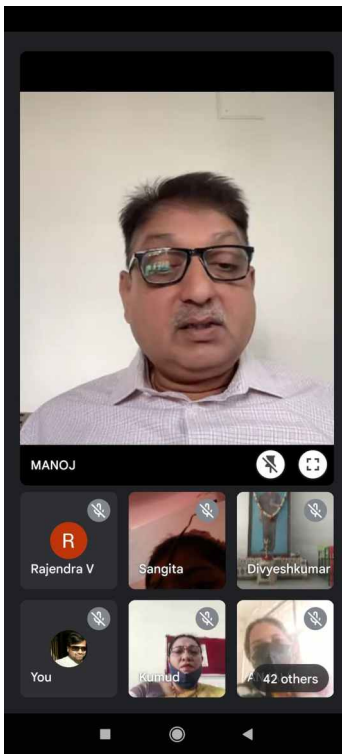

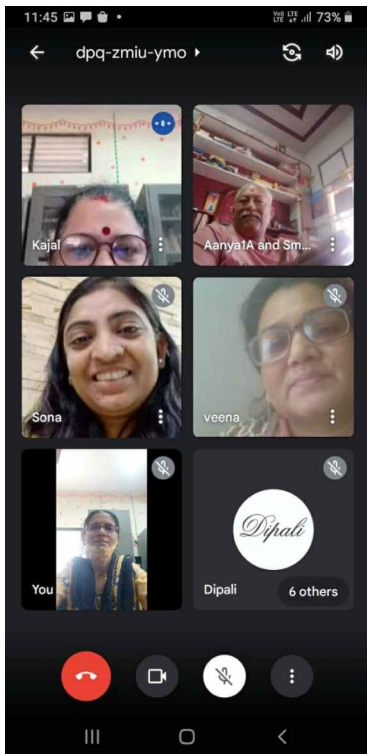

International exposure and cultural exchange opportunities are also provided to our students. Our connect with the Park British School, Lagos in Nigeria learnt the yoga lessons from us. We also celebrated the International Women's Day along with them.

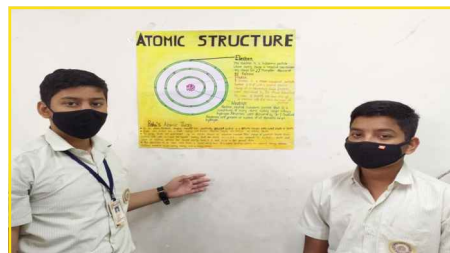

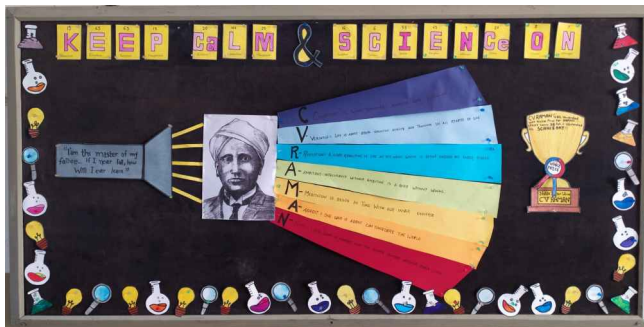

A session on career guidance was organised at the school in collaboration with the UPL University of Sustainable Technology, Vataria for the out-going batches of class 10th & 12th. The school also participated and won accolades during the JCI Week celebration.

Shree Gattu Vidyalaya also paid tributes to the great poet Late Shri Zaverchand Meghani, our torch bearer Late Shri D. A. Anandpura and Swami Vivekanand on their birth anniversaries.

World Science Day was also celebrated at the school with encouraging participation of students with various scientific models prepared by them on display.

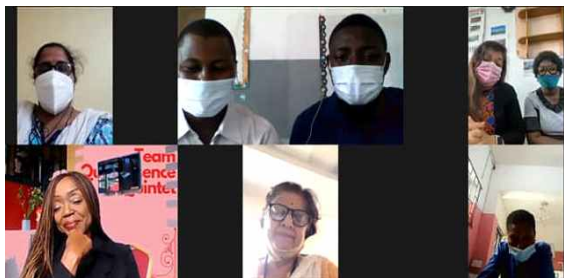

The school also won accolades with the first rank at the Bharuch district Kala Mahakumbh and also exhibited well at the School Shark Tank activity.

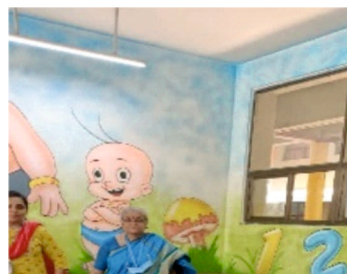

Ramnavami celebrations were also held at the school. The children learnt about our cultural traditions and also developed interest towards respecting our own cultural ethos. The World Heritage Day was also celebrated with the modelling activity of various world heritage monuments by the school children. The children learnt about the historical importance of several sites of world heritage and the World Heritage Convention of the UN.

Fully vaccinated and back in action at Shree Gattu Vidyalaya

The Earth Day celebrations were held with slogan and poster making competitions along-with oath taking ceremony for the protection and preservation of environment.

As a part of the life skills capacity building 'Fireless Cooking Competition' was organised. This helped in creating an awareness about the nutritional value of food cooked without flame, the necessity and advantage of healthy eating and to encourage students to stay away from the junk food. The children learnt basic culinary skills, appreciating the hard work put into cooking.

The children also participated in the national level essay writing and slogan writing competition on the topic azadi ka amrit mahotsav through green and clean energy organised by ONGC, Ankleshwar with PCRA under the aegis of Ministry of Petroleum and Natural Gas, Govt. of India.

Activity Based Learning	<ul style="list-style-type: none"> ■ Utilising the teaching-learning materials in the mobile education van making the daily learning and classroom sessions more rewarding, enjoyable and participatory. ■ To generate interest in activity-based learning so that retention is for a longer period of time. 	<ul style="list-style-type: none"> ■ The sessions are engaged for Gujarati, Maths, Science and Social Science in the primary classes upto 7th standard. ■ The focus is on concept building, utilisation of the concepts in activities of daily living, promote the 3R- Reading, wRiting and aRithmetic, peer assisted learning and use of various tools of learning including the question answers, discussion, modelling, chalk & duster, text books, project making, experiments and not just limit it to rote learning and lecture methods.

Learning is Fun

The project also has intervened with adult education during the last phase of pandemic in the year 2021 under the guidance of Mrs. Meera Panjwani. The teachers visited the residences of those who are interested in learning and helped them learn in small groups through guided group interactions and thereby creating a conducive environment for the children of these families toward learning. The efforts were recognised by GTPL News Channel through an interview of Mrs. Meera Panjwani regarding the adult education intervention. A teacher Mrs. Falguni Jani and two beneficiaries of the intervention Mrs. Maniben and Mrs. Sitaben were also interviewed.

A Science Teacher Training was also organised in January 2022 with Shri Vishal Bhatt, Shir Pracheta Malik and Smt. Lakshmi Madam as the trainers. Twelve teachers of the project proactively participated in this training. The teachers learnt experiments of dye-battery, stethoscope, straw propellor, direct current motors and curved mirror. Participatory methodology including focussed group discussion, do-it-yourself, audio-video based stimulation and charts were utilised for the same.

The mobile education van project also organised Happy Schools days with two schools in consonance with the UNESCO Happy Schools Framework. The idea is to offer an alternative approach to improving learning experiences by prioritizing school happiness. By focusing on well-being, engagement and sense of belonging at school, the happy school activities helps foster a lifelong love of learning. The intervention targets the happiness of the school rather than individual students because schools are sites of holistic, sustainable community development that include teachers, parents, staff and school leaders.

Across the year bygone, the project was supported in various ways and we express our sincerest gratitude to all our donors and stakeholders.

SMT. JAYABEN MODY MULTI-SPECIALITY HOSPITAL

624/1, Valia Road, GIDC, Ankleshwar - 393 002.

- **MISSION**
To provide quality healthcare to all under one roof.
- **VISION**
To become the healthcare establishment of first choice for all classes of people.
- **CORE VALUE**
Serve with dedication and care with compassion.

Serving the healthcare needs of the industrial town of Ankleshwar since 1986, Smt. Jayaben Mody Multi-Specialty Hospital has gracefully completed its thirty-eight of operations this year.

With the development of GIDC Ankleshwar in 1970-80's there was a great need for healthcare for the staff and workmen of this area. There was no government hospital in this area to provide for medical facilities. Mody family that was running the Unique Group of Companies at Ankleshwar, felt the need for bringing healthcare facility within the reach of the common people and the tribal population of the surrounding areas, who cannot afford and travel to urban centers for availing expensive medical aid. And thus, being a philanthropist and visionary, the family donated towards setting up of the hospital in memory of their mother late Smt. Jayaben Mody.

With the initial donation a twenty-five bedded hospital was started in the GIDC housing quarters which became a full-fledged hospital in 1996. The hospital was inaugurated by the then Chief Minister of Government of Gujarat Shri Suresh Mehta in the presence of Swami Shridharanandji, President Ramakrishna Mission Lucknow. Gradually the hospital has developed into a 140 bedded full-fledged, multi-specialty hospital with all essential amenities and facilities. The hospital serves not only the population of Ankleshwar city, the industrial estate and Bharuch city, but also to the sub-urban, rural areas and tribal hamlets in the entire region.

Currently Smt. Jayaben Mody Multi-Specialty Hospital, with a current bed strength of 140, a full-time medical team of over sixteen specialists, visiting doctors' team of twenty specialists, a cancer radiation therapy centre supported by well-trained, qualified nursing and paramedical staff, operations and administrative team; is dedicated to deliver quality medical care to all its patients. The hospital also offers round the clock services of an emergency department, a well-stocked medical store and ambulance services at nominal cost.

Making wellness a way of life, this hospital is dedicated to the service of humanity, be it in the times of trauma or paving way towards lifestyle changes for a healthy and happy living.

Specialty Services at the hospital

J. B. Mody Cancer Centre

J. B. Mody Cancer Centre of Smt. Jayaben Mody Multi-Specialty Hospital is the first of its kind hospital in Bharuch & Rajpipla districts to provide comprehensive oncological services to the community at large. The hospital has been providing chemotherapy as per the prevailing medical guidelines and protocols. Working towards the dream of providing quality care at affordable cost, the hospital was catering to the cancer patients through the chemotherapy since many years. The J. B. Mody Cancer Centre has the Varian USA - Vital Beam machine which can treat 97% of the patients at the Hospital itself.

A felt need to strengthen this effort propelled by the need to provide care and treatment to increasing cancer cases across the globe and especially in Gujarat gave birth to the J. B. Mody Cancer Centre on 19th April 2022. In the fond memory of Late Shri J. B. Mody, his family Smt. Pallavi Mehta & Shri Bharat Mehta, Smt. Shilpi Mehta & Shri Jay Mehta, Smt. Namrata Dalal & Shri Kushal Dalal through their family trust - Ansuya Mody Charitable Trust initiated by Late Shri J. B. Mody and his two brothers

Late Shri D. B. Mody and Late Shri S. B. Mody; donated Rs. 10 crores. Then through their family company Lekar Pharma and earlier through J. B. Chemicals & Pharmaceuticals Ltd. more than 6 crores were donated for this noble cause.

This the state-of-the-art cancer radiation centre at a total cost of Rs. 28 crores was inaugurated at our hospital premises in august presence of Shri Rajendra Gandhi (Managing Director, GRP Ltd.), Smt. Sandra Shroff (Vice Chairman, UPL), Shri Ashok Panjwani (Director, BEIL),

the esteemed members of Late Shri J. B. Mody family - Smt. Pallavi Mehta, Shri Bharat Mehta, Shri Uday Ashar, Smt. Purvi Ashar, Smt. Shilpi Mehta, Smt. Namrata Dalal, Shri Khusal Dalal, Shri Nirav Mody, Smt. Gazala Mody; Shri Hemant Desai (Managing Director, Gujarat Chemical Port Ltd.),

Shri Saifee Dahodwala (Managing Partner, Panchmahal Dyestuff Industries), Shri Hiten Anandpara (Managing Partner, Anand Petrochem Pvt. Ltd.) Shri Dashrath Patel, Shri Vinod Dhoka (President, Jain Jagruti Centre), Shri Mafatlal Patel (Chairman, Vihita Chem Pvt. Ltd.), Shri Anand Kumar Singh (Works Manager, Asian Paints Ltd.), and Shri Kamlesh Udani (Director, Lewen Labs) along with a plethora of eminent personalities from across district. The hospital is thankful to Ms. Gayatri Singh and entire team of HCR Consultants, Vadodara for being the North Star for this project.

Nutrition Facility

Nutritive food plays a vital role in promotion and preservation of health. Mrs. Riya Tyagi, the dietician at the hospital, has been regularly involved in health education of the indoor and outdoor patients through health & nutrition talks. Additionally, the hospital offered these awareness generation sessions to the industrial workforce and their children at Sanskardeep Vidyalaya, Asian Paints Ltd., Coromandel International Ltd., Dormer Tools Ltd., Shree Gattu Vidyalaya to name a few. Food customized to the clinical requirements of the patients is also being provided through her guidance.

Dialysis Facility

The eight bedded renal dialysis unit is equipped with multipara monitors for continuous vitals monitoring during dialysis. The hospital also provides dialysis facilities for Hepatitis Positive and normal patients. The Bharti Shirish Mody Foundation supports the poor dialysis patients since its inception and has provided Rs. 6 lakhs towards their support for this year.

Mission Eye and Mission Leprosy Free Bharuch

The humanitarian approach of hospital is also reflected in its organ donation services. Shri Suresh Nahar has been the pioneer of eye donation drive in Ankleshwar region since 14 years. His team did the work selflessly and referred to higher medical centers for appropriate usage of the donated eyes. With the generous contribution from Shri Suresh Nahar, Rotary Club of Ankleshwar and others; Shri Kamlesh Udani took the lead and a modern state-of-the-art Shri G. C. Nahar Rotary Eye Bank was made operational in 2018 at the hospital. The eye bank is a Government of India recognized center with best in district facilities for eye retrieval, examination, storage of tissues and usage of donated eyes all together.

Further, the hospital has initiated Mission Eye wherein the objective is to make the entire Bharuch district corneal blindness and Mission Leprosy Free Bharuch by the year 2026. These are extension interventions of our hospital with proactive support from the District Health Authorities, the District Blindness Prevention & Control Society, District Leprosy Officer and other stakeholders.

Organ Donation Services

The year bygone also observed a noble cause of the first organ donation service across Bharuch and Rajpipla districts, with our hospital being the only recognized centre for the same. The hospital pays homage to Late Shri Kantibhai Mohanbhai Dhandhukiya and appreciates the decision of his family members for donation of kidneys and liver through Shri Nilesh Mandlewala, Founder President of Donate Life and its volunteers. The kidneys were transplanted at Institute of Kidney Diseases & Research Centre and Zydus Hospital and liver transplant was carried out at Sterling Hospital, both at Ahmedabad.

CTMRI Facility

With the objective of accurate diagnosis and early treatment, we also offer computed tomography (CT scan) and magnetic resonance imaging (MRI) at the hospital through Miraj Diagnostics.

Laboratory And Radiology Service

Quality care has to be affordable and accessible and hence Smt. Jayaben Mody Multi-Specialty Hospital has a tie-up with the renowned SRL Laboratories Pvt. Ltd.. for 24X7 in-house hospital laboratory and radiology diagnostic services. This helps all the patients by saving their time, energy and cost as well as facilitates their treatment.

The hospital is empanelled with more than 15 insurance providers and also recognized as a treatment provider under various government schemes.

Occupational Health Clinics

Occupational health services keep the employees healthy and safe whilst in work and manage any risks in the workplace that are likely to give rise to work-related ill health. Research shows that good health is good for business and better workplaces have better financial results. To achieve this objective, Smt. Jayaben Mody Multi-Specialty Hospital provides occupational health clinic services to more than 29 industries of Bharuch district.

Health Education and Extension

The ultimate goal of health education and extension at Smt. Jayaben Mody Multi-Specialty Hospital is to promote, maintain and improve individuals' and community health. Health education is aimed at reducing morbidity and mortality due to preventable health problems. Persuasion and informed decision-making are important in catering to health for all. We have been regularly organizing various health awareness camps across the district in various industries, educational institutions, remote rural and tribal areas. Multi-specialty health camps were held at Juna Diva, Netrang, Pakhajan, Bharuchi Naka, Sajod, Ankleshwar City Police Station, Ankleshwar Taluka Prison and Selod locations; while health talks on ergonomics, Gynec services at Asian Paints Ltd., FOSROC Chemicals India Pvt. Ltd., Ankleshwar Taluka Legal Services Authority, Galaxy Ltd., Sajod village, Sanjali, Kosamdi and Mamdwa locations. In order to support the in-precincts medical care of employees and workers, first aid training was organized for Wockhard Ltd. and Saraswati College of Social Work at Moriyana.

The hospital in collaboration with Ankleshwar Rotary Welfare Trust supported by the TISS provided training to the students of the Certificate in Geriatric Care programme, which achieved 100% placement of all the enrolled girls.

Trauma Centre & New Gynec ward

The Trauma Centre and New Gynec Ward supported by M/s. K Patel Chemo Pharma, Ratnamani Bio-Chemicals & Pharmaceuticals, Birla Century and Subhashri Pigments is also functional well at the hospital.

Oxygen Plant Inaugural

Coromandel Intl. Ltd. gracefully donated one ultra-modern oxygen generation plant to our hospital. The plant was inaugurated by Honorable Member - Lok Sabha Shri C. R. Patil along with Shri Ashok Pawar - HR Head of the company.

A Farewell To The One Who Fared Well

Shri S. P. Khullar, the one who has been with Ankleshwar Industrial Development Society in the thick and thin, who has been the witness as well as avid contributor to the development of the Trust and all its projects, was bid farewell in May 2022. With razor sharp memory, perfection of task, unparalleled commitment, respect for all, Shri Khullar sir shall remain a cherished persona for us. We pray for his good health.

The hospital welcomes Dr. Atmi Deliwala, specialist in emergency medicine as the Deputy Medical Superintendent and Head ER. She has worked exceedingly well with the government and corporate health care providers since more than 7 years across Gujarat.

Dr. Vandana Dahiya, Radiation Oncologist also joined the hospital and is leading the newly set-up J. B. Mody Cancer Centre. She has more than 4 years of experience working with specialised cancer care centres and government set-up both.

D. A. ANANDPURA CULTURAL AND SPORTS CENTRE

Plot No. 903/1, Nr. Gattu Vidyalaya, GIDC, Ankleshwar - 393 002.

Since 1995

Making Sports A Way Of Life

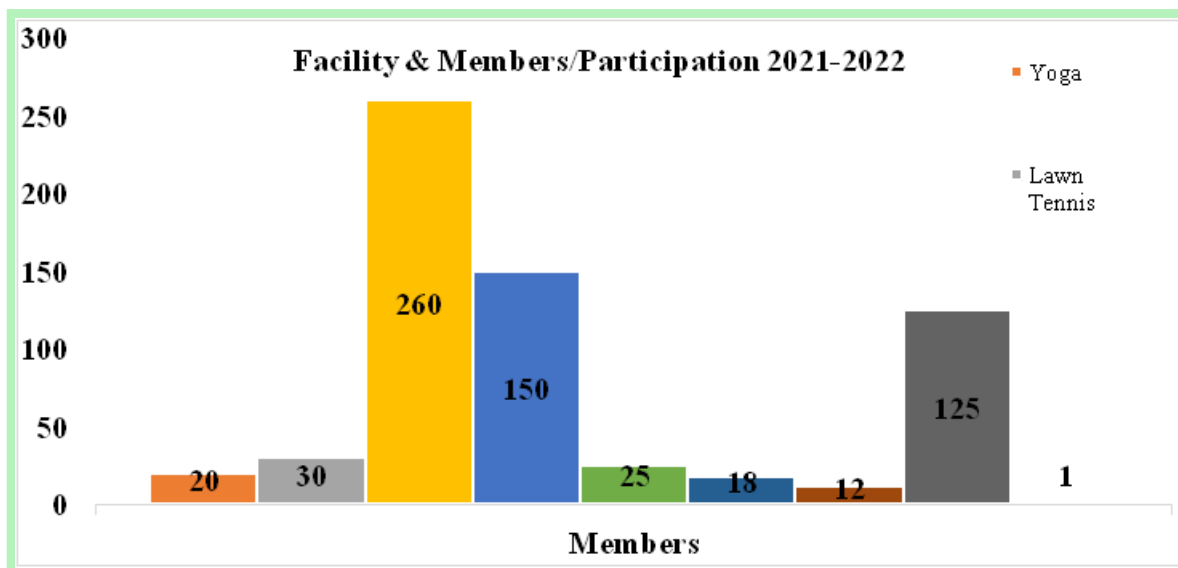

- **Contributing to the development of sports in society;**
- **Delivering the social, health and community benefits that are well-recognized with community participation in and support for sporting teams and competitions.**

D. A. Anandpura Cultural & Sports Center established in 1995 aims to contribute to the development of sports in Bharuch district and delivering the social, health and community benefits that are well-recognized with community participation in and support for sporting teams and competitions.

The objectives that underline our actions and activities at the sports complex are :

- ❖ To provide state-of-the-art scientific and modern infrastructure for the advancement of sports, recreation and physical activity in the community and thereby promoting the State Sports Policy brief.
- ❖ To promote careers in sports & Indian culture.
- ❖ To provide the youth of Bharuch district with role models for participation in exercise and organized team sports and cultural matters.
- ❖ Improving health outcomes through adolescent and adult participation in sports.
- ❖ Encouraging participation in sports and cultural activities at all ages, levels and across gender in Bharuch district with the potential for identification, training and capacity building of cultural and sports persons & to lead from local to national levels.
- ❖ Identification and capacity building of volunteers who will help in the running and managing of the sports complex and emerge as leaders in the long run.

The year 2021 - 2022 was a post-pandemic turn-around for all sectors and sports and culture are no exception to it. Our strength of memberships, participants and events is reflective of the new beginning.

As the adage goes, well begun is half done, we initiated various activities right post the pandemic with the Diamond Children's Theatre hosting 17 events and the sports facility catering to 10 championships across the year gone by.

BEIL Volley Ball League 2022 held in January 2022, in memory of Shahid Bhagatsinh, Raj Guru and Sukhdev with a participation of more than 28 teams including 6 girls teams totaling to 336 players across several schools, colleges, universities, Central and State government departments RBI, Income Tax, Gujarat Police from Gujarat, Maharashtra and Madhya Pradesh resulted into the development the capacity of the youth for two-way communication, enabling them to take fast, strategic decisions and building trust on the team. The game definitely had the element of joy and participation in addition to the above. All teams were served with refreshment and food.

The 6th AIDS Football Championship was held in March 2022 wherein more than 160 players from 12 teams participated. Football being one of the most played games across the globe and the administrator of our sports complex himself a FIFA certified coach, the participants learnt punctuality, risk taking and initiative, abiding by the community norms and laws of the land with

perseverance towards goal setting and goal achievement. During the championships the Mr. Tejas Pandya of Reliance Foundation Academy, Mumbai was invited to encourage the players. We are having the privilege that our Sports Administrator Shri Krishna Maharaul is one of the two FIFA approved AFC football coach in the state of Gujarat.

We have always believed to perform in tandem with a global vision and local approach and this year the International Women's Day on 8th March 2022 was observed at our sports complex with the same fervor. The theme being gender equality today for a sustainable tomorrow, we had invited Shri Dushyant Modi who is a famous yoga and naturopathy instructor from the Maharaja Sayajirao University of Baroda to enlighten the participants on sustainable lifestyles with the aid of yoga.

Promoting the values of national integrity and nationalism, on the occasion of Shahid Divas in March 2022, BEIL All India Volleyball Day & Night Tournament was organised by us. The 160 players cutting across caste, class, region, religion, language and economic barriers participated in the same. Largely the teams from Gujarat and neighbouring states of Maharashtra and Madhya Pradesh performed well. We also celebrated the 75th Republic Day jointly with Smt. Jayaben Mody Multi-Speciality Hospital.

Our facility has been the venue of choice of venue for hosting several sports events by the honorable State Government, on account of two very important reasons one being the availability of all necessary infrastructure with easy mobility and accessibility and other being our team's capacity to manage the competitions. This year also in March, under the Khel Mahakumbh we managed basketball championships for Under 14, Under 19 and Open to all with a total of 580 players participating in it from schools of entire Bharuch district. Similarly,

the Khel Mahakumbh football championships, swimming, basketball for the same age range were managed having 180 players from various schools of the Bharuch district.

At this juncture it is pertinent to note that for the first time in past 37 years, Mr. Maruf Mulla selected to play at the national level in football, representing the Gujarat team; has been trained by and at D. A. Anandpura Cultural & Sports Center.

Furthermore, with a reliance on our hygiene, safety protocols and regular availability of coaches and well-trained life-guards, the Khel Mahakumbh Swimming Championships for Under 14, 19, 40 and above 60 years age group was also hosted at our complex. 180 swimmers from across the district participated in the same.

D. A. Anandapura Cultural and Sports Center is credited with making cricket an interesting tech-enabled game in the GIDC area. The 2nd GIDC Cricket League organized in February and March 2022, attracted a registration of 219 players over Google Forms Platform, and resulted in the eligibility of 170 players following a fair screening protocol. This being a league format, eight teams viz. Prerna XI, Gurukrupa XI, Krishna XI, Suyog XI, Khush Construction XI, Friends XI, Prime CK XI and Ratan Brothers XI participated in the player auctions of 120 players held in hybrid mode. Krishna XI were crowned the winners for the cricket league.

Ankleshwar Industrial Development Society and all its projects have always believed in being socially responsive and caring for the community. The sports complex has stood by its commitment and has continued to support the District Health Department for operating the covid vaccination centre till date. This initiative is also supported by the Rotary Club of Ankleshwar.

We also have entered into an MoU with the esteemed UPL University of Sustainable Technology located at Vataria for the utilisation of our facilities for the benefit of students at the university.

Further on, world acclaimed BBC took a note of the activities at our facilities and training especially focusing on the women, and did a live streaming story in February 2022 on the occasion of their Sports Women of the Year awards. The link can be found at <https://fb.watch/boxVwuHImu/>

The Trustees
of Ankleshwar Industrial Development Society,
Ankleshwar

Opinion

We have audited the financial statements of **ANKLESHWAR INDUSTRIAL DEVELOPMENT SOCIETY, Registration No. F/106/BHARUCH** which comprise the Balance Sheet as at March 31, 2022, and the Income & Expenditure Account for the year then ended March 31, 2022, and notes to the financial statements, including a summary of significant accounting policies.

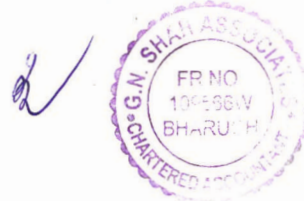

In our opinion, the accompanying financial statements of the entity are prepared, in all material respects, in accordance with **THE BOMBAY PUBLIC TRUSTS ACT**.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with **THE BOMBAY PUBLIC TRUSTS ACT** and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.
